OFFICE OF LEGISLATIVE COUNSEL

Monday - 22 January 1962

25X1

2. [redacted] Ben Read, on the staff of Senator Joseph S. Clark, called concerning Executive Order 10939, a guide on ethical standards to Government employees. Read said Senator Clark was interested in knowing what the Agency had done with respect to section 6 of the order which requires that each department and agency review its directives to assure the maintenance of high ethical and moral standards. I made arrangements to talk with Read on this tomorrow.

25X1

3. [redacted] William McHale, in Senator George Smathers' office, called and asked if we could advise him whether or not there was a problem with respect to transshipment of U.S. goods to Cuba with respect to either quantities or items of a critical nature. After talking to Colonel King, who advised that WH Division is presently pulling together material on this subject in connection with another request from this office, I advised McHale that we would be in touch with him within the next day or two.

25X1

4. [redacted] The Director, accompanied by Messrs. Bissell, Amory and Warner, appeared before the CIA Subcommittee of House Armed Services at 9:30 a.m. See Memorandum for the Record.

25X1 [] Received from Colonel Roger M. Carter,
in the office of the Secretary of Defense, information for Mr. McCone
which the Secretary desired transmitted to the Director. The
information was transmitted to the Director by Mr. Warner. Colonel
Carter also requested, for the Secretary, a letter concerning the
present situation relating to transshipment of materials through
25X1 [] together with such details that may be available as
to what is being done about transshipment. Colonel Carter indicated
that when Senator Richard B. Russell (D., Ga.) traveled []
[]

25X1 It was indicated that the overall problem, as it would relate
to American firms and methods, would be one involving the FBI.
Colonel Carter was advised that we would see what could be done and
would be back in touch on the matter within the next two days.

Colonel King was advised of the above and indicated that the
necessary materials would be drawn together.
